Hello Eric,

Thank you for the message. We create separate case files for pre-application DRC items (PL2020-01). I've created a new case file for the formal application you intend on submitting this Wednesday – PL2020-08. Please acknowledge Case PL2020-08 as the current case file so I can close out last year's case and forward the fees to PL2020-08.

Thanks,
Mike

Mike –

I am writing in regards to planning case # PL2019-41 to formally request the closure of this case number. The revised project has been submitted under a new planning case # PL2020-01. Please apply all applicable fees from the old case number to the new case number.
