RE: Case # PL201700099 – Minor Revision to Final Development Plans for a temporary wireless communications tower  
8200 28th Avenue South

Mr. Ries:

As set forth in City Code Section 21.501.03(c), I have administratively approved a Minor Revision to the Final Development Plans for a temporary wireless communications tower related to a special event located at 8200 28<sup>th</sup> Avenue South subject to the following conditions being satisfied:

1. Prior to Permit An electrical permit for all required changes to accommodate the proposed use be obtained prior to the erection of the temporary tower.
2. Ongoing The height and location of the temporary wireless communications tower must be as shown on the approved plans in Case File #PL201700099. The temporary tower must not exceed 35 feet in height above grade, or 845 feet above mean sea level.
3. Ongoing The special event temporary tower may only be erected between July 11, 2017 and July 17, 2017, as noted on the project description in Case File #PL201700099.
4. Ongoing The tower must comply with all applicable FAA airspace standards and approval processes.
5. Ongoing The antennas shall comply with all Federal Communications Commission requirements regarding radio frequency emissions.

Should you have any questions regarding this action, please contact Nick Johnson, Planner, at (952) 563-8925 or nmjohnson@BloomingtonMN.gov.

Sincerely,

Glen Markegard, AICP  
Planning Manager
