**RE: Development Application – Verizon Wireless - Temporary Wireless Communications
8200 28th Ave. S. (PID 01-027-24-42-0007) – (VZW ref. X Games MOA 2017)**

Mr. Johnson,

Verizon Wireless is proposing to deploy a temporary wireless communications asset at the above referenced address July 11th – July 17th, 2017. The asset is a self-contained unit with a mast proposed to extend to 35' to achieve the coverage and capacity objective. The asset measures approx. 15' L x 6.5' W x 7' H (w/out mast extended). The asset will be secured by a temporary fence. The asset will be powered by portable generator to be placed directly adjacent the asset itself. Both will be secured by a 6' chain link temporary fence for both safety and security purposes.

Enclosed with this letter please find the following:

- Development Application
- Application Fee (Check # 50241)
- Site Sketch
- Asset specifications

Please accept this letter and the enclosed documentation as formal submission to the City of Bloomington. If you have any questions related to the proposed project, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "James Ries".
