Please find this to be a formal request for zoning verification on the above stated property. We are researching these matters for a Zoning Compliance Report. Please incorporate the answers to the following questions in a letter on municipal letterhead.

- What is the current zone of the property?
- Are there any overlay districts?
- Is this property a permitted use in this district?
- Did the property receive site plan approval, and if so, can you provide a copy?
- What are the abutting zoning districts?
- Are there any outstanding building, zoning, or fire violations on file?
- Were any variances or special permits issued?
- Was a certificate of occupancy issued and if so, may we obtain a copy of it?
- Is there any record of any pending condemnation proceedings for the above listed property. In other words, are there any plans for construction, sidewalk improvements, or any other work that would cause this property to lose any land for improvements?
- Is this property listed as a Historical Property?
