Dear Ms. Carter:

In response to your request for zoning and land use verification and information for the Property, please be advised of the following as of the date hereof:

- 1) Zoning and Comprehensive Land Use Plan Designation:
The property is zoned CX-2 (PD)(AR-17), Mixed Use (Planned Development) (Airport Runway) and is subject to the applicable Bloomington City Code performance standards. The Comprehensive Plan Land Use Plan designation is High Intensity Mixed Use. The Zoning and Comprehensive Land Use Plan maps can be viewed at <https://www.bloomingtonmn.gov/plan/zoning-and-guide-plan-maps>.

The adjoining property use, zoning and Comprehensive Plan designations are:

Direction	Use	Zoning	Comprehensive Plan
North	Hotel/office/retail	LX-1(AR-17)(PD) and LX-1(AR-17)	Lindau Mixed Use
South	Hotel/recreation/farm	CS-1(AR-17)(BP-2) and SC(AR-17)(BP-2)	Innovation and Technology
East	Office/light industrial	CR-1(AR-17)(PD)	Innovation and Technology
West	Mall of America	CX-1(AR-17)(PD)	High Intensity Mixed Use

- 2) Conformance with Current Zoning Requirements:
The Property currently is vacant and used for Mall of America overflow parking which is adjacent to the west. This is an allowed use as accessory to the Mall of America. No parking is currently required to meet the existing Mall of America development. However, there is a 3,217 space parking ramp proposed on the 8201 24th Avenue site to meet the parking demand in the approved Preliminary Development Plan. No application for a final development plan has been commenced, the approval is preliminary and adds approximately 3,000,000 square feet of space onto the north side of the existing Mall of America.

Several Planning and Zoning reviews have occurred over the years, all for temporary uses and they have expired. No current active use approvals, other than allowed accessory overflow parking, are applicable. As the site is vacant, a review of the use and performance standards are not applicable. As the property is vacant, there are not historical designations related to the property.

The applicable City Code (zoning) sections applicable include but not limited to:

- Section 19.38.01 – Planned Development (PD) Overlay District
- Section 19.38.03 – Airport Runway (AR) Overlay District
- Section 19.51 – Refuse handling and storage

However, if a development intensity of the vacant land warrants turn lanes or other improvements that may necessitate additional right-of-way.
