RE: AT&T Small Cell Installation – 8358-8398 County Rd 1– (MRUMW017659-MRUMW017662-MRUMW017666-MRUMW017671)

To Whom It May Concern:

Please let the enclosed serve as SAC Wireless' request, on behalf of AT&T, for a building permit to attach a Small Cell Telecommunications Facility to the existing ComEd utility pole located at approximately 8358-8398 County Rd 1 (see enclosed drawings for details).

RF Engineers have determined that this minor installation will significantly improve data transfer speeds and cellular capacity in your community.

Please find enclosed:

- (1) Development Application
- (1) Construction Design Drawings
- (1) Passing Structural Analysis Reports
- (1) Check No. 75041 in the amount of \$130.00 for the application fee
- (1) Pre-Paid Fedex shipping label and return envelope.

Unless you require additional information or documents, please use the enclosed envelope to send the issued permit. SAC Wireless greatly appreciates your help with this Small Cell Installation. Should you have any questions or concerns about this project, please do not hesitate to email or call. My contact information is below.
