Bruce,

After thorough investigation of CenturyLink facilities within the noted addresses it has been determined that we do not have any potential conflicts with the easement vacations.

Subject: Public Right-of-Way and Easement Vacation V2018-739

All,

Attached is a preliminary "Notice of Hearing on Ordinance" for the vacation of public easements over and across the properties located at 6925, 7001, and 7101 West 78th Street in Bloomington. The reason for this vacation is to clear title for the platting of these three properties. The attached vacation exhibits

show where the right-of-way and drainage, utility, sidewalk, bikeway, and floodage easements are to be vacated. The attached proposed plat of Frauenshuh 2nd Addition show where new right-of-way and drainage and utility easements are to be dedicated.

Please respond to this email by June 22, 2018 indicating acceptance of or conditions for this vacation of public right-of-way and easements.

Please contact me for further information.

Thank you,
