

Metro Park - Sun Shades for existing patios

We request approval to install canopy sails over two existing patios at Metro Office park. The double sail is on the south end of the 7850 building to cover an existing patio. The single sail will be installed on a patio between building 2901 and 3001. Attached to this request please find the Development application and a scaled plan. If you need any additional information please call me at 612-366-4262
