INTRODUCTION – Bill Griffith:

The sixth addition of the Mall of America will be platted for development of the South Loop Waterpark. The applicant would like to plat the site for the future hotel, but if it triggers early park dedication fees, they will hold off and call it an Outlot. The park dedication fees could be deferred until building permit.

The representatives from Sunde Land Surveying said that they will be vacating the bridge deck over the elevation and then dedicate easements on both sides. This will be through a separate RLS process.

Discussion/Comments:

PLEASE NOTE: Below **is not** a complete list of comments. Please read the comment summary and review plan mark-ups for a full list of comments.

- Ranae Clark (Park and Recreation):
 - No comment.
- Kent Smith (Assessing):
 - Park dedication fee is \$191,880. As the remaining areas get replatted, park dedication will be triggered at that time. The fee includes the bridge.
- Duke Johnson (Building and Inspection):
 - The Building Code does not allow building over lot lines. They must get proper legal language using Chapter Five in the Building Code to allow this.
- Laura McCarthy (Fire Prevention):
 - No comment.
- Brian Hansen (Engineering):
 - Continue to work with Bruce Bunker on the plat application.
- Tim Kampa (Utilities):
 - No comment.
- Eileen O’Connell (Public Health):
 - No comment.
- Maureen O’Brien (Legal):
 - No comment.
- Jason Schmidt (Port Authority):
 - No comment.
- Mike Centinario (Planning):
 - The plat has a separate entitlement process, next deadline is October 30th. Staff is requesting a simple plat graphic for the final development plan application.
 - G. Markegard stated staff will research platting variances issues.
 - B. Griffith stated they anticipate footings that will cross lot lines.

Assessing Review - Pre-App Contact: Kent Smith at ksmith@BloomingtonMN.gov, (952) 563-8707

- 1) Based on platting and given size of project (328,150 sq ft GBA), we have calculated park dedication at \$191,880. If and when any other development happens on the new outlot created, additional park dedication will be calculated.
