Liz,

Please add this e-mail to the case file.

Thanks,

Glen

Hi Tim,

We still have an easement but have no issue with a sign being installed in this location. No agreement is needed.

Ryan Piner

Ryan,

This is the location of the requested sign.

We think there may still be an easement. Would there need to be any sort of encroachment agreement process?  
Please let me know if we can approve their request?

Thanks again,  
Tim Kampa
