Re: 5601 American Boulevard (Property) - PID# 16-116-21-23-0005

To Kiley Cermak:

In response to your request for zoning verification and information for the Property, please be advised of the following as of the date hereof:

1) Zoning and Comprehensive Land Use Plan Designation:

The Property is zoned RM-50(PD), Multiple Family Residential (Planned Development) and is subject to the applicable Bloomington City Code performance standards. The Comprehensive Plan Land Use Plan designation is High Density Residential. The Zoning and Comprehensive Land Use Plan maps can be viewed at <https://www.bloomingtonmn.gov/plan/zoning-and-guide-plan-maps>.

The adjoining property use, zoning and Comprehensive Plan designations are:

Direction	Use	Zoning	Comprehensive Plan
North	Apartments	C-4(PD)	Office
South	Office	C-4(PD)	Office
East	Senior living	RM-50(PD)	High Density Residential
West	Townhomes	RO-24	Low Density Residential

2) Conformance with Current Zoning Requirements:

The Property use as vacant land with an approved 133 units senior housing apartment building is a permitted use in the RM-50(PD) Zoning District. On December 16, 2019, the City Council approved final development plans for a 148-unit senior housing apartment building. The Property owner subsequently received Planning Manager approval for minor modifications to the site plan and reduced the number of units to 133.

In 1996, the City Council approved a parking lot and security ordinance which required full compliance with the City Code at a future date. Currently, the City Code required compliance by December 31, 2020. This site is required to meet current lighting requirements and, to date, the development does not have an approved lighting plan. City staff has no reason to believe a lighting plan will not be provided and approved.
