

Hello Londell,

See attached detailed new floor plan for Q-Master Billiards Club at Morgan Circle shops. We operated a billiard club at this location in the past.

The new site will be completely remodeled, all new updated bathrooms and new carpet. A total of 13 Brunswick gold crown tables and six 7 foot diamond tables will provide opportunities for all ages, leagues and tournaments.

Packaged foods, fountain drinks frozen pizza prepared in a pizza oven are proposed. Pool supplies, t-shirts, hats and other retail items would be sold in the retail area. Initial proposed hours of operation would be 10:00 AM to 2:00 AM.
