Re: 1601 American Boulevard East (Property) - PID# 02-027-24-11-0057

To Ashlee Turner:

In response to your request for zoning verification and information for the Property, please be advised of the following as of the date hereof:

1) Zoning and Comprehensive Land Use Plan Designation:

The property is zoned C-4(PD)(AR-22), Freeway Development (Planned Development) (Airport Runway) and is subject to the applicable Bloomington City Code performance standards. The Comprehensive Plan Land Use Plan designation is Office. The Zoning and Comprehensive Land Use Plan maps can be viewed at <https://www.bloomingtonmn.gov/plan/zoning-and-guide-plan-maps>.

The adjoining property use, zoning and Comprehensive Plan designations are:

2) Conformance with Current Zoning Requirements:

The Property use as a 200 room limited service hotel is a permitted use in the C-4 Zoning District. A total of 323 parking spaces are provided where 241 parking spaces are required. The Planning and Zoning reviews on file include but are not limited to:

- 11/3/1997 - City Council approved a rezoning, a Preliminary Development Plan and a Final Development Plan for a hotel and office/warehouse development subject to 19 conditions and 11 Code requirements. (Case 9294A-97)

- 06/11/2015 - Administrative approval of a Revised Final Development Plan for a 4,700 square foot main entry pavilion, and exterior pavilion terrace and associated parking lot modifications. (Case 9294A-15)
- 01/7/2019 – City Council approved rezoning of the property from FD-2(PD)(AR-22) to C-4(PC)(AR-22). (Case PL20180037)

The most recent inspection in 2015 resulted in the issuance of the Certificate of Occupancy on December 12, 2016 for the addition (Attached). At that time, the property was in full compliance with the City Code and the Development Agreement (Document #3373450).

The applicable City Code (zoning) sections applicable include but not limited to:

- Section 19.38.03 – Airport Runway Overlay Districts (AR-17 and AR-22)
- Section 19.52 – Landscaping and screening
- Section 19.63.01 – Exterior Materials
- Section 19.113 – Signs

3) Utilities serving the Property:

According to the City of Bloomington Public Works Division records, the Property is served by water, sanitary sewer and storm sewer. Non-City providers provide all other utilities. Please contact the appropriate provider for detailed information on other services to the Property.

4) Right to Rebuild Following Casualty:

The 200 room hotel and accessory uses in the FD-2(PD) (AR-22) Zoning District may continue following casualty, in accordance with the performance standards at the time it is rebuilt, with the Final Development Plans and City Code Section 21.504, Non-conformity.

City records show no open enforcement orders against the property at this time. This statement does not mean that the property is free of violations or is in full compliance with federal, state and local applicable codes.

The City has issued food and lodging licenses for this address. The Bloomington Environmental Health Division conducts routine inspections related to these licenses. Copies of the inspection reports, if needed, are available through Mark Stangenes at 952- 563-8980.

5) No Further Approvals or Licenses Required:

The current use by its present owners for a 200 room limited service hotel is permitted under the Zoning Ordinance without necessity of any rezoning, special exceptions, use permit, variance or other approval. I am not aware of any other permit or license required by this jurisdiction that a purchaser must obtain before it may acquire the Project or before the Project may continue to be used in the manner in which it is presently being used.

6) Compliance with Subdivision Regulations:

The Project complies with the applicable subdivision regulations. On April 30, 1979, a Plat of Cedar Park Addition was approved and subsequently tiled. (Case 1227A-79)

7) No Application(s) Pending:

No application for rezoning, for a special or conditional use permit or a variance in connection with the Property, is now pending. No proceeding to challenge zoning or other governmental approval or use of the Property is pending, or to the best of my knowledge, overtly threatened.

8) Certificate of Occupancy:

I attached the Certificate of Occupancy for the most recent construction. I am unable to locate additional certificate of occupancies for the Project. I have no reason to believe, given the case file history described above, one was not properly issued for the original construction and subsequent changes. In the absence of a Certificate of Occupancy would not give rise to any enforcement action affecting the Project. It is not necessary for a new purchaser to obtain either a new Certificate of Occupancy or an amendment to the existing Certificate of Occupancy in order continue use and occupancy of the Project which it is approved.

9) Violations Outstanding or Development Related Fees Paid:

I am unaware of any active or alleged violations to any zoning, subdivision, building or similar ordinances or regulations applicable to the Property within the past three years. There is no record of any pending or contemplated enforcement proceedings against the Property. There are no open enforcement orders against the property at this time.

This statement does not mean that the property is free of violations or is in full compliance with federal, state and local applicable codes. All required fees have been paid in connection with the development and use of the Property, including any impact-related fees, have been paid, and no such fees which would have applicability to the Property are otherwise pending or known at this time.

10) Flood Zone Designation:

The Property is not located in a Flood Hazard Overlay Zoning District. The Flood Insurance Rate Map (FIRM) for the City of Bloomington designates the Property as Zone X on Panel Number 2753C0457F dated November 4, 2016.

This information was researched by the person signing this letter on behalf of the City of Bloomington as a service. The undersigned certifies the above information is accurate based on or relating to the information supplied for this zoning verification and the information on file with the City of Bloomington. The City assumes no liability for errors or omissions. All information was obtained from public records which may be inspected during regular business hours.
