To Whom It May Concern:

Owner of the property located at 10520 France Ave S, Bloomington MN 55431 is requesting a conditional use permit for Kids Empire to locate within the shopping center in Suite 49B.

Kids Empire will occupy approximately 10,300 square feet and operate as a children's indoor play park and recreation center. An internal space plan is provided as part of the application. Upon approval of the conditional use, and issuance of building permit, internal build out would commence. No exterior improvements other than signage are planned at this time.
