Aroma Indian Cuisine is an authentic Indian restaurant located in Oxbro Center in Bloomington Minnesota. We are operational from June 2020. The location used to have Surabhi restaurant with an occupancy of 102 people. We have remodeled the space and the capacity is reduced to 72 people. We are trying to add a patio space with 24 additional seating. During the height of pandemic, we did a temporary approval to have patio and new permanent one will be similar to that. Even with the additional seating, we are still below the old 102 capacity limit. We had attached the plan and the approval from the landlord. Kindly grant us the approval as it will help us to attract the customers who love patio dining. If there is any questions you can reach out to Mike Swenson (Landlord) or Naveen Narayanasamy (2143175719)
