

OPPORUNITY HOUSING ORDINANCE INCENTIVES TOOL

Created **June 2019**
Last modified **August 2019**

TABLE OF CONTENTS

Tab name	Function
Application information	User enters basic information about a project and geographic triggers
Parking	Shows parking guidance by primary use types from zoning code
Ordinance Satisfaction	User enters the primary Ordinance satisfaction method and indicates sub-criteria status
Unit plan	User enters the unit details (number, size and rent) by AMI level
Pro Forma	User enters development details of costs and sales
Eligible incentives	Shows a summary of incentives the project qualifies for
Transit Area Map	Shows a reference map of the Designated Transit Area
Incentive details	A blank tab separating the working portion of the workbook from view only incentive tabs
9.16	Shows working logic for density bonus
9.17	Shows working logic for floor area ratio bonus
9.18	Shows working logic for height bonus
9.19	Shows working logic for parking bonus
9.20	Shows working logic for enclosed parking conversion
9.21	Shows working logic for minimum unit size bonus
9.22	Shows working logic for alternative exterior materials allowance
9.23	Shows working logic for storage space reduction bonus
9.24	Shows working logic for landscape fee in-lieu bonus
9.25	Shows working logic for development fee waiver bonus
9.26	Shows working logic for development fee deferment bonus
9.27	Shows working logic for expedited review of plans bonus
9.28	Shows working logic for land write-down bonus
9.30	Shows working logic for initial Tax Increment Financing qualification
9.31	Shows working logic for initial Project Voucher qualification

CITY OF BLOOMINGTON, MN -- OPPORTUNITY HOUSING ORDINANCE INCENTIVES TOOL

Minimum Off-Street Parking Requirements

RESIDENTIAL		
Single-family		4 spaces per dwelling unit, 2 of which are within a garage (for construction after June 1, 2015) or area that could be occupied by a garage (for construction before June 1, 2015)
Two-family		4 spaces per dwelling unit, 2 of which are within a garage
Townhouse/rowhouse	One bedroom	2.2 spaces per dwelling unit
	Two bedroom	2.6 spaces per dwelling unit
	Three bedroom	3.0 spaces per dwelling unit
	Four bedroom	3.4 spaces per dwelling unit
		Of which 1 space per unit must be within a fully enclosed garage, and where party room space is provided, an additional 1 space per 100 square feet of party room is required; guest parking spaces must be appropriately provided and dispersed throughout the development, subject to approval of the issuing authority
Multiple-family residence	One bedroom	1.8 spaces per dwelling unit
	Two bedroom	2.2 spaces per dwelling unit
	Three bedroom	2.6 spaces per dwelling unit
	Four bedroom	3.0 spaces per dwelling unit
		Of which 1 space per unit must be within a fully enclosed garage, and where party room space is provided, an

		additional 1 space per 100 square feet of party room is required; guest parking spaces must be appropriately provided and dispersed throughout the development, subject to approval of the issuing authority
--	--	--

Senior citizen housing, accessibility housing		1.5 spaces per dwelling unit, where 0.5 spaces per unit must be available for general parking. Where party room space is provided, an additional 1 space per 100 square feet of party room is required; guest parking spaces must be appropriately provided and dispersed throughout the development, subject to approval of the issuing authority
Residential care facility	Group home, nursing home, rest home, adult care home	1.5 spaces for each 4 beds
		Guest parking spaces must be appropriately dispersed throughout the development
Congregate living facility	Licensed boarding house lodging or rooming houses	1 space per bedroom, where spaces are not stacked in a linear row
Manufactured home parks		2 spaces per manufactured home; guest parking must be appropriately provided and dispersed throughout the development, subject to approval by the issuing authority

Grocery Store		1 space per 225 square feet of gross floor area
Health Club		1 space per 250 square feet of gross floor area (not including swimming pools), and additional off-street parking for the following uses:
		Swimming pool: 1 space per 500 square feet of gross floor area
		Tennis, handball or racquetball: 2 spaces per court

Restaurant and/or Club	Indoor or rooftop seating	1 space per 2.5 seats, plus spaces equal in number to 1/3 capacity in persons for meeting/banquet area;
	Seasonal/outdoor	1 space per 5 seasonal outdoor dining seats
	Restaurant seating	Exception: if seasonal outdoor dining seats exceed 20% of indoor/rooftop seating, the required parking for outdoor dining seats exceeding 20% is one space per 2.5 seats
	With drive through	6 additional queuing spaces per lane
Retail Sales and/or Service	General retail under 10,000 square feet of gross floor area	1 space per 180 square feet of gross floor area
	10,000-99,999 square feet of gross floor area	55 spaces plus additional 1 space per 220 square feet of gross floor area over 10,000 square feet
	100,000 square feet of gross floor area and over	460 spaces plus additional 1 space per 285 square feet of gross floor area over 100,000 square feet

OHO SATISFACTION

Ordinance Satisfaction

Please select

Proposed Ordinance satisfaction method

On site units

Ordinance language on the selected Ordinance satisfaction method

In consideration of and as a way of providing the developer with tools and flexibility to meet the requirements of this chapter, a developer may meet its opportunity housing requirement by the construction of all required opportunity housing units on the site of the proposed residential development.

Please indicate what is known about OHO satisfaction subconditions

OHO Incentives

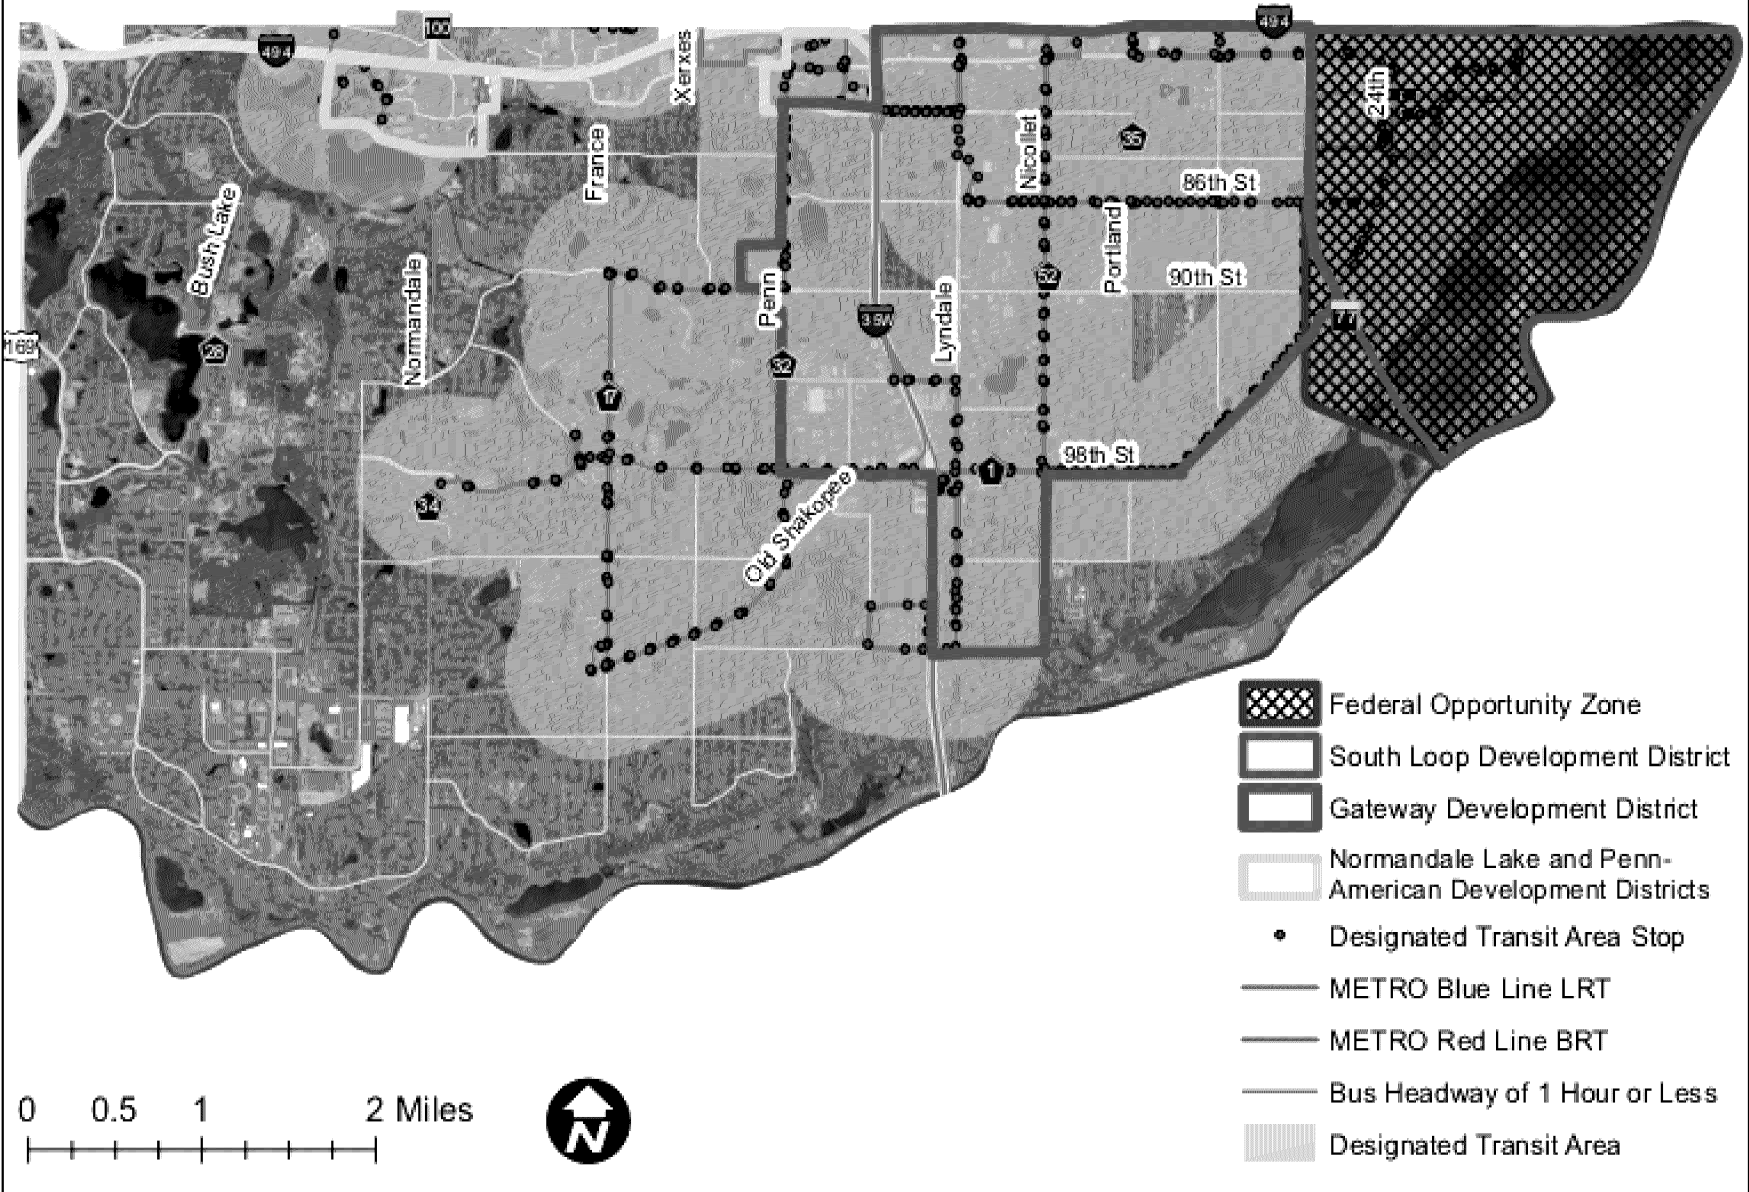

Incentive inp	Incentive	
77	Density bonus	77 additional units
50%	Parking reduction	50% reduction in parking stalls
35%	Enclosed parking space conversion allow.	35% reduction in enclosed parking stalls
20%	Minimum unit size reduction	20% reduction in the minimum unit size
50%	Storage space reduction	50% reduction in the required storage spaces
30%	Development fee reimbursement	30% possible development fee reimbursement

Not included in this example. These incentives are to be discussed with the Planning Department

77,000	Floor area ratio bonus	77,000 additional SF
1	Height bonus	1 extra story for a total of 15 stories
125%	Alternative exterior materials allowance	125% reduction in alternative materials allowance
100%	Landscape fee in-lieu reduction	100% landscape fee in-lieu reduction
24	Development fee deferral	24 month development fee deferral
1	Expedited review of plans	Expedited plan review
No	Land write-down for affordable housing (w	No qualifying incentive is due
yes	Housing tax increment financing (TIF)	Housing Tax Increment Financing (TIF) consideration
Yes	Project based housing vouchers	Project based voucher consideration

OHO Section	Title	Incentives that the project may qualify for	Consideration
9.16	Density bonus	77 additional units	No bonus units in areas the comp plan limits to less than 5 units. Applies only in zoning districts that regulate density through units/acre. Can use FAR or Density bonus.
9.17	Floor area ratio bonus	77,000 additional SF	No bonus FAR in areas the comp plan limits to less than 5 units. Applies only in zoning districts that regulate density through floor area ratio. Can use FAR or Density bonus.
9.18	Height bonus	1 extra story for a total of 15 stories	Applies to multiple-family developments only. Does not apply in areas limited to two stories in height. No height bonus can exceed the FAA or the MSP Airport Zoning Ordinance limitations.
9.19	Parking reduction	50% reduction in parking stalls	Non-cumulative
9.20	Enclosed parking space conversion allowance	35% reduction in enclosed parking stalls	Non-cumulative. Converted spaces must have carports. Affordable units cannot be charged for garage/carport spaces.
9.21	Minimum unit size reduction	20% reduction in the minimum unit size	Non-cumulative
9.22	Alternative exterior materials allowance	125% reduction in alternative materials allowance	Non-cumulative. Applies to facades not facing public streets. See Code language for details.
9.23	Storage space reduction	50% reduction in the required storage spaces	Affordable units cannot be charged for storage
9.24	Landscape fee in-lieu reduction	100% landscape fee in-lieu reduction	Applies only where in lieu landscape fee is approved by City Council
9.25	Development fee reimbursement	30% possible development fee reimbursement	Requires a showing of demonstrated need. Geographic and numeric limits apply. See Code language for details.
9.26	Development fee deferment	24 month development fee deferment	Specific details of waiver component costs after application. Interest charges apply
9.27	Expedited review of plans	Expedited plan review	Geographic limits apply
9.28	Land write-down for affordable housing (w/ city council approval)	No qualifying incentive is due	Requires City Council approval & 20 year deed restrictions on affordable units on city-owned land
9.30	Housing tax increment financing (TIF)	Housing Tax Increment Financing (TIF) consideration	Cannot be used to finance market rate units
9.31	Project based housing vouchers	Project based voucher consideration	Annual allocations with limits

Designated Transit Areas and Opportunity Zones

CITY OF BLOOMINGTON, MN -- OPPORTUNITY HOUSING ORDINANCE INCENTIVES TOOL

INCENTIVE DETAILS FOLLOW THIS TAB

9.16

Density Bonus

Ordinance text

(a) To incentivize the creation of opportunity housing units, a residential development within a designated transit area and within zoning districts regulating development intensity through units per acre maximums qualify for the following density bonuses for each affordable unit provided at varying household income levels as follows:

(1) Each extremely low and very low income household unit qualifies the overall development for two (2) bonus dwelling units up to a maximum of a fifty percent (50%) increase over current zoning; and

(2) Each low income household unit affordable to households at or below sixty percent (60%) of AMI qualifies the overall development for one (1) bonus dwelling unit up to a maximum of a fifty percent (50%) increase over current zoning.

(b) In no instance may density bonus units be allocated to parcels designated by the comprehensive plan for residential densities of less than five (5) dwelling units per gross acre.

Height Bonus

Ordinance text

(a) To incentivize the construction of a mixture of opportunity housing units for households at or below sixty percent (60%) of AMI, the developer of a multiple-family development with at least nine percent (9%) of its total dwelling units affordable to households at or below sixty percent (60%) of AMI qualifies for the height bonuses as follows:

- (1) Qualifying development with a maximum height of three (3) stories or fifty (50) feet may increase to four (4) stories or sixty (60) feet equal to one (1) additional story.
 - (2) Qualifying development with a maximum height of four (4) stories or sixty (60) feet may increase to five (5) stories or seventy (70) feet equal to one (1) additional story.
 - (3) Qualifying development with a maximum height of six (6) stories or eighty (80) feet may increase to seven (7) stories or ninety (90) feet equal to one (1) additional story.
- (b) This section may not be interpreted to allow a height bonus that exceeds the requirements and limitation of the Federal Aviation Administration or the MSP Airport Zoning Ordinance.

Parking reduction

Ordinance text

(a) To incentivize the creation of opportunity housing units, a residential development with at least nine percent (9%) of its total dwelling units affordable to households at or below sixty percent (60%) of AMI qualifies for car parking reductions based upon the level of affordability provided as follows:

(1) A development with nine percent (9%) of its units qualifying as extremely low income affordable housing qualifies for a twenty percent (20%) parking reduction when outside a designated transit area and a forty percent (40%) parking reduction when within a designated transit area provided that the affordable housing agreement required pursuant to section 9.32 provides that the owner will not charge the opportunity housing units for access to parking;

(2) A developments with nine percent (9%) of its units qualifying as very low income affordable housing qualifies for a fifteen percent (15%) parking reduction when outside a designated transit area and a thirty percent (30%) parking reduction when within a designated transit area provided that the affordable housing agreement required pursuant to section 9.32 provides that the owner will not charge the opportunity housing units for access to parking; or

(3) A development with nine percent (9%) of its units qualifying as low income affordable housing qualifies for a ten percent (10%) parking reduction when outside a designated transit area and a twenty percent (20%) parking reduction when within a designated transit area provided that the affordable housing agreement required pursuant to section 9.32 provides that the owner will not charge the opportunity housing units for access to parking.

(b) The car parking reductions provided in this section are not cumulative. Each qualifying development is eligible for only one (1) parking reduction of ten to forty percent (10 to 40%) depending upon the level of affordability provided.

Enclosed parking space conversion allowance

Ordinance text

(a) To incentivize the creation of opportunity housing units, a residential development that includes at least nine percent (9%) of its total dwelling units affordable to households at or below sixty percent (60%) of AMI may convert required enclosed parking spaces to carport covered parking spaces depending on the level of affordability provided as follows:

(1) A development with nine percent (9%) of its units qualifying as extremely low income affordable housing qualifies to convert fifty percent (50%) of required enclosed parking spaces to carport covered parking spaces provided that the affordable housing agreement required pursuant to section 9.32 provides that the owner will make enclosed or carport covered parking spaces accessible to the opportunity housing units without charge;

(2) A development with nine percent (9%) of its units qualifying as very low income affordable housing qualifies to convert twenty-five percent (25%) of required enclosed parking spaces to carport covered parking spaces provided that the recorded affordable housing agreement required pursuant to section 9.32 provides that the owner will make enclosed or carport covered parking spaces accessible to the opportunity housing units without charge; or

(3) A development with nine percent (9%) of its units qualifying as low income affordable housing qualifies to convert ten percent (10%) of required enclosed parking spaces to carport covered parking spaces provided that the recorded affordable housing agreement required pursuant to section 9.32 provides that the owner will make enclosed or carport covered parking spaces accessible to the opportunity housing units without charge.

(b) The enclosed parking space conversion allowances provided in this section are not cumulative. Each qualifying development is eligible for only one (1) enclosed parking space conversion allowance of ten to fifty percent (10 to 50%) depending on the level of affordability provided.

Qualifying tests for the incentive

Minimum unit size reduction

Ordinance text

(a) To incentivize the construction of opportunity housing units affordable to households at or below sixty percent (60%) of AMI, a residential development that includes at least nine percent (9%) opportunity housing units affordable to households at or below sixty percent (60%) of AMI, may reduce minimum unit size by the following amounts:

- (1) Each extremely low income opportunity housing unit qualifies for a thirty percent (30%) unit size reduction;
- (2) Each very low income opportunity housing unit qualifies for a twenty percent (20%) unit size reduction; or
- (3) Each low income opportunity housing unit that is affordable to a household at or below sixty percent (60%) of AMI qualifies for a ten percent (10%) unit size reduction.

(b) The minimum unit size reductions provided in this section are not cumulative. Each qualifying development is eligible for only one minimum unit size reduction of ten percent (10%), twenty percent (20%), or thirty percent (30%) for the opportunity housing units depending on the level of affordability provided.

Qualifying tests for the incentive

<i>Satisfaction method eligible for incentives?</i>					Yes

Result **20% reduction in the minimum unit size**

9.22

Alternative exterior materials allowance

Ordinance text

(a) To incentivize the construction of opportunity housing units affordable to households at or below sixty percent (60%) of AMI, a residential development that includes at least nine percent (9%) of its total dwelling units affordable to households at or below sixty percent (60%) of AMI may use the alternative exterior materials of fiber cement, exterior insulation finishing system (EIFS), and twenty (20) year warranty metals on facades not facing public streets where otherwise not allowed by the city code as follows:

(1) A development with nine percent (9%) of its units qualifying as extremely low income affordable housing may cover up to one hundred percent (100%) of qualifying façades with the listed alternative exterior materials;

(2) A development with nine percent (9%) of its units qualifying as very low income affordable housing may cover up to seventy-five percent (75%) of qualifying façades with the listed alternative exterior materials; or

(3) A development with nine percent (9%) of its units qualifying as low income affordable housing may cover up to fifty percent (50%) of qualifying façades with the listed alternative exterior materials.

(b) The alternative exterior material allowances provided in this section are not cumulative. Each qualifying development is eligible for only one alternative construction material allowance of fifty percent (50%), seventy-five percent (75%), or one hundred percent (100%) depending on the level of

Storage space reduction

Ordinance text

To incentivize the construction of opportunity housing units, a multiple-family development that includes at least nine percent (9%) of its total dwelling units affordable to households at or below sixty percent (60%) of AMI may reduce the required number of storage spaces outside the dwelling unit by fifty percent (50%) provided that the affordable housing agreement pursuant to section 9.32 provides that the owner will make storage space accessible to the opportunity housing units without charge.

9.25

Development fee reimbursement

Ordinance text

For any development located within the area bounded by Interstate 35W, Interstate 494, Trunk Highway 77, and the Minnesota River, upon a showing of demonstrated need, the city will consider reimbursing all or a portion of the zoning application fees, building permit fees, park dedication fees, sewer availability charge (SAC) fees and related infrastructure fees from available funds in the housing trust fund, not to exceed the fees for a cumulative total of three hundred twenty (320) housing units, within the geographic area, for a development in which a minimum twenty percent (20%) of units are affordable to a mix of households with incomes at or below sixty percent (60%) of AMI, as follows

Developer provides at least:

Development fee deferment

Ordinance text

(a) The city may offer development fee deferrals for zoning application fees, building permit fees, park dedication fees, sewer availability charge (SAC) fees and related infrastructure fees to a qualifying development under the following circumstances:

(1) When a residential development includes more than the required nine percent (9%) of its total dwelling units as opportunity housing affordable to households at or below sixty percent (60%) of AMI, when calculated before any applicable density bonus, the development may be eligible to defer up to the full amount of its development fees until twelve (12) months after the development obtains its certificate of occupancy. The city will charge an annual interest of five percent (5%) during the deferral period.

(2) When a residential development includes at least a twenty percent (20%) of its total dwelling units as opportunity housing affordable to households at or below sixty percent (60%) of AMI, when calculated before any applicable density bonus, the development may be eligible to defer up to the full amount of its development fees until twenty-four (24) months after the development obtains its certificate of occupancy. The city will charge an annual interest of five percent (5%) during the deferral period.

(b) The interest paid to the city during the deferral will be deposited into the city's affordable housing trust fund.

Result Expedited plan review

CITY OF BLOOMINGTON, MN -- OPPORTUNITY HOUSING ORDINANCE INCENTIVES TOOL

9.28 **Land write-down for affordable housing (w/ city council approval)**

Ordinance text

For a developer proposing a development with a mix of opportunity housing affordable to households at or below sixty percent (60%) of AMI for multiple-family developments and moderate income up to one hundred ten percent (110%) of AMI for home ownership projects, at a minimum threshold of twenty percent (20%), the city may, upon a showing of demonstrated need, reduce land costs to achieve the twenty percent (20%) threshold to support the development reaching affordability.

Any sales price reduction must be allowed by the city charter and city code and approved by the city council. Where a land write-down is approved, the city will require at least a twenty (20) year deed restriction on those units identified as affordable for extremely low, very low, and low income households to ensure long-term affordability.
