

NOTICE OF PUBLIC HEARING

By the City Council

The Bloomington City Council will hold a public hearing on May 22, 2023, at 6:30 PM in the Council Chambers at Bloomington Civic Plaza, 1800 W. Old Shakopee Road, Bloomington, Minnesota, and by electronic means as permitted by State law, to consider Case #PL202200221, an ordinance updating City Code requirements for single-family and two-family residential lots and dwellings. As a way to increase affordable home-ownership opportunities, provide more housing options and housing types, provide opportunities for infill housing, and seek to address the homeownership opportunity gap, Bloomington is considering several amendments to zoning standards for single and two-family dwellings. Proposed amendments modify requirements related to lot sizes and widths, unit sizes, off-street parking and garages, setbacks, impervious surface standards and the approval processes, thereby amending Chapters 19, 21 and 22 of the City Code. On May 22, 2023, the Council will also consider an alternative condensed ordinance that would not include the proposed reductions to minimum lot size and lot width standards of the R-1 Single-Family Residential zoning district or the proposed modifications to impervious surface standards for single family dwellings. Finally, the Council will consider a Comprehensive Plan Text Amendment to adjust the descriptions and density ranges of the residential land use categories within the City's Comprehensive Plan. Previous City Council public hearings on the ordinance and Comprehensive Plan Text Amendment in Case #PL2022-221 occurred on January 9, 2023, and March 20, 2023. Additional discussion occurred at the May 1, 2023 meeting.
