A. SIGN APPROVAL PROCESS

Detailed below are procedures for obtaining approvals for sign drawings.

- 1) All proposed signs shall be reviewed and approved by property owner prior to any application being submitted to the City. The contact person is:

BTO Development Corp
5700 Smetana Drive #120
Minnetonka, MN 55343

- 2) The owner, tenant or sign consultant shall submit with a the application for signs permits to the City of Bloomington two (2) sets of plans and specifications clearly showing the sign, its colors and materials and the placement on each building, along with the sign permit application for each sign to be reviewed. The Plans shall be signed by the property owner prior to approval.
- 3) No signs shall be erected, altered, rebuilt or relocated prior to the review and approval of a sign permit application by the property owner (or representative) and City of Bloomington. Once a sign permit has been approved, no sign shall be installed without any electrical or foundation (freestanding signs) for a sign, if applicable.

B. GENERAL PROVISIONS

1. It is the intent of the Landlord the signage at Plaza at Oxboro be developed in an imaginative and creative manner yet complement the architectural design and continuity of the center. The criteria set forth below shall govern review of all tenant signs.
2. Although prior signage practices of the Tenant may be considered, they will not dictate or predetermine signs to be installed at Plaza at Oxboro.
3. Approval of store design drawings or working drawings and specifications for Tenants leased premises do not constitute approval of any sign work. Landlord's specific written approval of Tenant's sign drawing and specifications is required on an individual basis and shall obtain permits from the City of Bloomington prior to installation.
4. All costs incurred in furnishing and installation of a sign and furnishing power to the sign shall be the responsibility of the Tenant. Sign construction shall be completed in compliance with the design criteria contained within these specifications.
5. Each Tenant will be required to identify their premises with a sign that conforms to the Uniform Sign Design.
6. The site is governed under 19.113 of the City Code. The sign allocations were approved prior to the limitation in that section for total signs. Therefore, allocations by square foot are not provided in this Uniform Sign Design.
