IT DISTRICT:

(1) *Exterior wall finish.* Exterior wall surfaces of all buildings, excluding those portions of foundation walls extending normally above finished grade, shall be faced with glass, exterior cement plaster (stucco), natural stone, brick, architectural concrete (excluding tilt-up panel construction unless faced with code compliant material), metal in accordance with adopted policies and procedures set forth in the adopted resolution, or an equivalent or better. Except for glass or metal, all color shall be integral to the exterior wall finish material unless a colored and opaque coating for all or some part of the exterior wall finish material is specifically approved by the City Council as part of a development approval process and where the application has included:

CLEAN ROOM	86,327sf	INDUSTRIAL	1/500	176.65
