All,

Attached is a preliminary "Notice of Hearing on Ordinance" for the vacation of public right-of-way, street, drainage, utility, sidewalk, and bikeway easements over and across the properties located at

2997 American Blvd. Ease, 8051 30th Avenue South, and 2998 East Old Shakopee Road, in Bloomington. The purpose for this proposed public easement vacation is to clear the title and prepare for the re-platting of the properties.

The attached maps show where these public easements are to be vacated and the attached proposed plat of BLOOMINGTON CENTRAL STATION 8TH ADDITION show where public drainage and utility easements are presently located and where new public right-of-way is to be dedicated on the plat.

Please respond to this email by December 16, 2022 indicating acceptance of or conditions for this public easement vacation.
