RE: DISH Wireless - Collocation @ 4000 SW Court
DISH Wireless Site ID: MNMSP00388A / SBA Site ID: MN33984-M
Development Application PL202300142
Project Description

Dear Ms. O'Day,

Dish Wireless intends to install new telecommunication equipment atop the roof of the Macy's building at 4000 SW Court, Bloomington, MN 55425. The scope of the project is outlined below.

- Install (3) panel antennas (concealed from ground view)
- Install (2) sled mounts
- Install (1) standoff antenna mount
- Install (6) RRUs (2 per sector)
- Install (3) over voltage protection devices (1 per sector)
- Install (3) proposed hybrid cables
- Install (1) metal platform with H-Frame
- Install associated ground equipment on H-Frame

The specific details and specifications for the above-mentioned equipment are noted in the construction drawings dated 8/17/2023. This installation is necessary in order to allow DISH Wireless to provide excellent wireless coverage to your region. The intent is to bring in 5G for greater upload speeds and better wireless connectivity.

Should you have any additional questions or concerns, please contact me via email at sschuch@sbasite.com or by phone at 561-579-8812. Thank you in advance for your assistance and I look forward to working with you on this approval.

Sincerely,
