Dear City of Bloomington:

I understand there is some concern around late night noise with the proposed high school-based stadiums. Please be assured our high schools don't schedule outdoor events or competitions to go past 10 p.m.

Although the district does rent facilities to external groups that sometimes hold indoor events past 10 p.m. the outdoor stadiums are reserved for school or district use only.

The project will also include a sound limiting device for the sound system. Paul Aplikowski from Wold Architects and Engineers has provided you with that information.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to be "Eric Melbye", written over a horizontal line.
