## PROPOSAL

The applicant is seeking a one-year extension of the final plat for LAS CUATRO MILPAS, which is the maximum that may be granted and requires City Council approval.

## ANALYSIS

The applicant is seeking a one-year extension of the plat LAS CUATRO MILPAS. This plat was approved by the City Council on November 14, 2022 (Case #PL2022-181). The plat would combine the parcels at 415 and 431 E 78<sup>th</sup> Street into one parcel. The applicant wants to combine both parcels so that they can connect the two existing buildings as their business expands at the location.

Final plat approvals are valid for a period of two years following City Council approval. The City Council has the authority to “extend the approval of a final plat by up to one additional year when it finds that the extension is in the public interest” (City Code Section 22.06(e)). The plat has not changed since its approval and remains code compliant. City Code subdivision standards have not changed in the past two years and the plat remains code compliant, so staff believe the one-year final plat approval extension is in the public interest. Approval of the plat extension would allow for the plat to be recorded, further facilitating the future occupancy and growth of the restaurant Taqueria & Birrieria Las Cuatro Milpas Bloomington. The applicant has plans to make improvements to the building at 431 E 78<sup>th</sup> St, but permits cannot be issued until the plat is recorded.

The applicant has engaged a new agent to assist them with finalizing the remaining conditions to record the plat with Hennepin County. They are hoping to complete this work before their two-year deadline of November 14<sup>th</sup>, 2024, but are requesting the one-year extension in case they cannot complete them in time.

Staff recommends that all the conditions of plat approval attached to Case #PL2022-181 and memorialized in Resolution No. 2022-216 be carried forward as part of the plat extension request. Resolution No. 2022-216 is attached for consideration by the Council.

## **RECOMMENDATION**

Staff recommends approval of the plat extension through the following motion:

Motion by \_\_\_\_\_, seconded by \_\_\_\_\_, to adopt Resolution No. 2024-\_\_\_\_, a resolution approving a one-year extension of the final plat of LAS CUATRO MILPAS, subject to the conditions of approval adopted in Resolution #2022-216.
