RE: Case # PL201700057 – Wireless Antennae and Associated Equipment Modifications
2051 Killebrew Drive

Ms. Zaobiedny:

As set forth in City Code Section 21.501.03(c), I have administratively approved a Minor Revision to the Final Development Plans to add and replace wireless communication antennas and associated equipment located at 2051 Killebrew Drive subject to the following conditions:

1. Prior to Permit A building permit for all required changes to accommodate the proposed use be obtained.
2. Ongoing The wireless installations and associated building improvements are limited to those as shown on the approved plans in Case File # PL201700057.
3. Ongoing Antennas must not extend above the wall surface on which they are mounted. Previous antennas that were installed on the northern elevation of the building as part of Case 7986A-11 must be modified to not extend above the roof line as shown in the approved plans for Case 7986A-11.
4. Ongoing Visible mounts, cable runs, conduits and related equipment must be painted to match the wall/building on which they are mounted.
5. Ongoing The antennas shall comply with all Federal Communications Commission requirements regarding radio frequency emissions.

Should you have any questions regarding this action, please contact Nick Johnson, Planner, at (952) 563-8925 or nmjohnson@BloomingtonMN.gov.

Sincerely,

Glen Markegard, AICP
Planning Manager
