

# Barwaaqo Autism Center

8200 Humboldt Ave suite 100 Bloomington, MN 55431. Tel 952-454-0421

Wednesday, August 2, 2017

Nick M Johnson

Thank you for taking the time to speak to us. One of the reason why we are using this property is to get approved for a conditional use permit for a Daycare Center. My team and I are over excited about getting this project going in the city of Bloomington.

My team and I are working to open Barwaaqo Autism Center. This center will primarily serve children with all different needs, that would otherwise not work well in other child care setting. My team have studied and researched and realized that there is a need in this field. All our team including teachers, aides and managers are qualified and trained to care for especial needs kids.

We picked the city of Bloomington for its business-friendly staff and city leaders. We also know that the majority of the children that will need or receive care at our center will need the cultural background my team and I will bring to them. This does not mean we will only serve one particular group. We will be honored to serve everyone that needs the services we provide.

Our center will provide care 58 to 60 children per shift. We will have 11 staff at a time morning and even. Each shift will have 11 total that being 22 for the day. We will be catering food from a restaurant around twin cities area. We will be teaching speech lessons, and behavior. We will also be training parents weekly about what Autism is and how they can work with their children. Most of the parents will have some basic training and we will advance their skills.

Sincerely,

Fardowsa M Ali, owner/manager
