October 8, 2025

Dear Mike,

Thank you for taking time Friday October 3, 2025, to meet and discuss the IUP (Interim Use Permit) application per the City Council Ordinance approved of September 29, 2025, council meeting. The IUP extension will be in line with the date August 8, 2027, as stated in the City Council Ordinance.

The property at 7901 International Drive, Bloomington MN, 55425, will continue to operate as Park 'N Go of Minnesota, LLC INC., a remote airport parking operation. We continue to maintain the property, making minor repairs which may include asphalt, landscaping, snow removal, and lighting, as necessary.

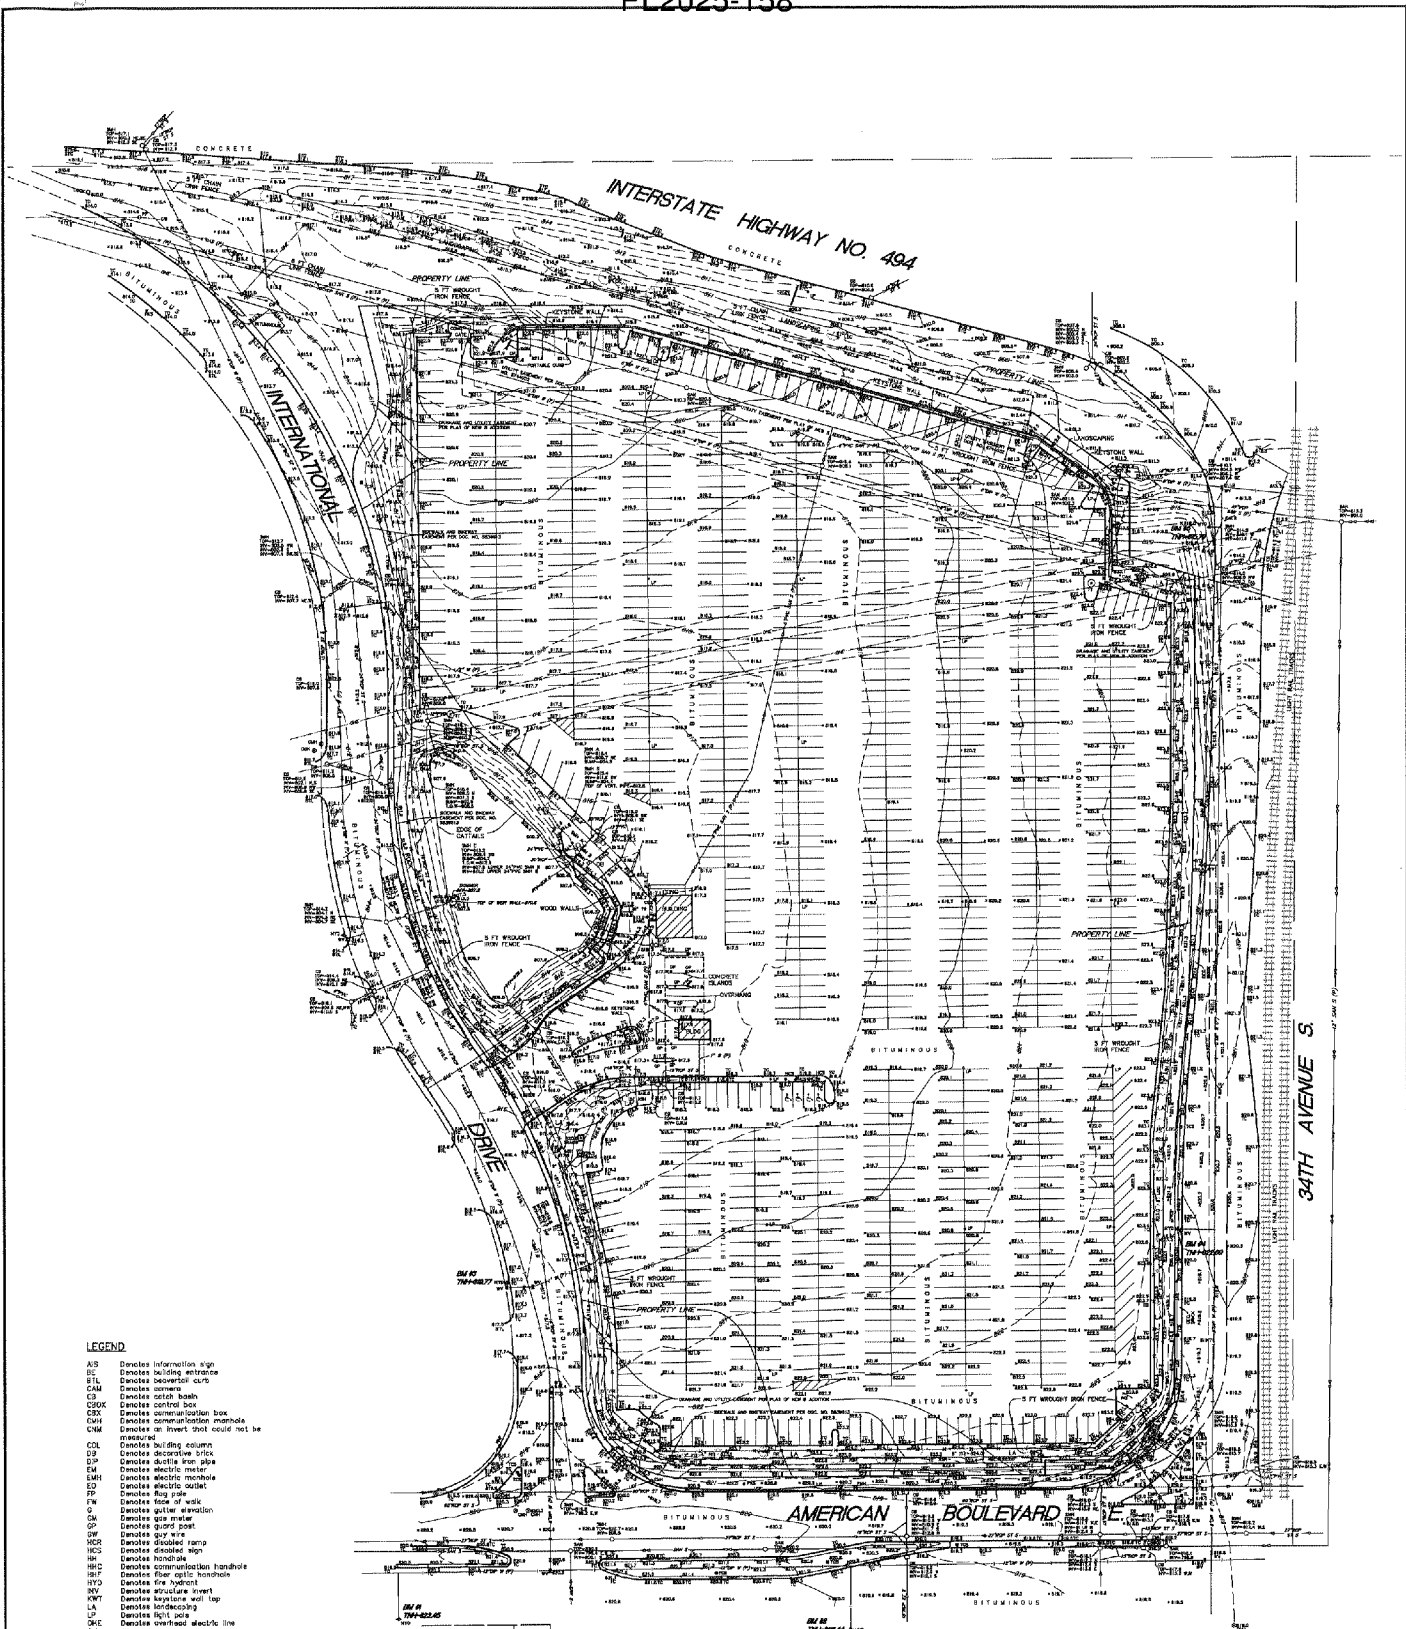

We have been a part of the Bloomington community for over 33 years and look forward to an ongoing partnership with the City of Bloomington.

Please feel free to contact me with questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel R Williamson".
