RE: Certificate of Occupancy

On September 11, 2018 the Bloomington Fire Prevention Division conducted a final inspection for 8 classrooms, 2 offices and the gym at 8201 Park Avenue South that will be operated by Summit Charter Schools. On that date the 7 classrooms met the minimum requirements of an educational group E occupancy as defined in the 2015 Minnesota State Fire Code. Attached is a NEW floor plan depicting the areas that have been approved for the school.

The remaining areas within the building are being utilized by Dar-Al-Farooq Center and are not considered to be within the scope of this certificate of occupancy.
