5. Major revision to the Final Development Plan for a four story, 118 unit senior assisted living facility at 5501 American Boulevard West (Phase I Property); and

The City Council of the City, at its regular meetings of February 4, 2019 and September 23, 2019, approved the Applicant's request subject to, and contingent upon satisfaction of certain conditions relating to the Property, and made subject to those conditions, as well as all applicable code provisions, including but not limited to City Code, building code and fire code ("Council Approvals").

This Agreement sets forth the obligations of the parties and the conditions that govern the development and use of the Property. It is intended to address the parties' compliance with the Council Approvals. This Agreement does not address other issues relating to public improvements, assessments, storm water charges, or other matters regarding or affecting the Property unless specifically set forth herein or incorporated herein by reference.

NOW THEREFORE, in consideration of the recitals stated above and the mutual covenants stated below, the parties agree as follows:

1. Recitals. The foregoing recitals are correct and are incorporated herein.

2. **Obligations of the Applicant.**

(a) **Compliance with Conditions of Approval.** The Applicant agrees that development of the Property shall be in strict conformance with all conditions set forth in the decision notices dated February 5 and September 24, 2019, which are attached hereto and incorporated herein by reference as **Exhibit B.**

(b) **Conformance with Council Approvals.** The Applicant agrees that development of the Property shall also be in strict conformance with the Council Approvals of February 4 and September 23, 2019, all applicable code provisions, including but not limited to City Code, building code and fire code (whether or not enumerated in the Council Approvals and decision notice), and all applicable state and federal laws. In the event that there is a conflict between the Council Approvals and the regulatory terms of this Agreement, the more restrictive standard shall apply. It shall be the obligation of the Applicant to provide advance written notice to the City of any aspect of the development that varies to any degree from the application approved by the City Council on February 4 and September 23, 2019. The Applicant also agrees that any major or minor change to the development must be approved by the City as provided in City Code Section 21.501.03, subdivisions (c) and (d).

(c) **Compliance with Zoning Regulations.** The Applicant agrees that the Property may not be used in a manner that is prohibited under the City's zoning regulations.

(d) **Phasing of Development.** The City recognizes that the most efficient and economic development of the Property depends upon numerous factors and that it is beneficial to the Applicant to determine the rate of development. The Applicant acknowledges that because development will be phased, certain amenities associated with the Property must be available to all phases of the development, including but not limited to fire department access and sufficient parking. The Applicant agrees to submit a construction management plan for review by the City's planning department prior to issuance of permits.

3. **Obligations of the City.** The City will issue permits necessary for the approved development of the Property subject to the satisfaction of Conditions of Approval set forth in the attached **Exhibit B**, and compliance with all applicable code provisions, including but not limited to City Code, building code and fire code (whether or not enumerated in the Council Approvals or decision notices). No permits will be issued until the Applicant has submitted all appropriate permit applications, which are subject to City review and approval.

4. **Event of Default.**

(a) The term "event of default" shall mean, whenever it is used in this Agreement (unless the context provides otherwise), any of the following events:

(ii) The failure of the City to perform the obligations set forth in paragraph 3 (“Obligations of the City”) of this Agreement and to commence corrective measures to perform the obligations within sixty (60) days after receipt by the City of written notice of such default by the Applicant.

5. **Remedies of the City.**

(a) Whenever any event of default of the Applicant occurs, the City may take whatever action at law or in equity as may appear necessary or desirable to the City to enforce performance and observance of this Agreement.

(b) A major change to the proposed development of the Property by the Applicant shall require City Council approval in accordance with Bloomington City Code Section 21.501.03(c) and the City reserves the right to initiate such proceedings. In addition, the City reserves its right to initiate rezoning of the Property if the Applicant changes the Property to a use prohibited in the approved zoning district.

6. **Remedies of the Applicant.** Whenever any event of default by the City occurs, the Applicant may take whatever action at law or in equity may appear necessary or desirable to the Applicant to enforce performance or observance of this Agreement.

7. **Notices and Demands.**

(a) A notice, demand, or other communication under this Agreement by either party to the other shall be sufficiently given if it is dispatched by registered or certified mail, postage pre-paid, return receipt requested, and addressed to the party at the addresses listed below with receipt thereof presumed on the third business day thereafter. Either party may designate another address, or attorney for receipt of notices pursuant to this Agreement by designating in writing and forwarding such writing to the other party as provided in this section.

The plans, standards, stipulations, and other information constituting the development plan and the conditions placed on the approvals of the development as detailed in **Exhibit B** may also be amended upon application by the Applicant and approval of the City pursuant to Bloomington City Code Section 21.501.03. Once approved by the City Council, subsequent development plans and conditions shall become part of this Agreement and shall be fully binding upon the parties as if set forth herein. All such additional documents affecting the development and use of this property shall be kept on file as a public record by the City Director of Community Development. At the time a Site Development Agreement is executed for the Phase II Property, the City shall, upon request by the then current Phase II Property Owner execute and record a document that serves to release the Phase II Property and its current owner from all obligations under this Site Development Agreement.

9. **Application of City Code Provisions, Rules, Regulations and Policies.** This Agreement shall not prevent the City, in subsequent actions applicable to the Property, from applying new City Code provisions, rules, regulations or policies, nor shall this Agreement prevent the City from denying or conditionally approving any subsequent development application on the basis of such existing or new City Code provisions, rules, regulations or policies. No rights shall be deemed to vest in the Applicant or any other person, under any site development agreement, except as expressly set forth therein.

10. **Relationship of the Parties.** No partnership or joint venture is established between the parties hereto by or under this Agreement or any agreement referenced herein.

Upon sale or conveyance of any portion of the Property, the transferee shall be liable for all obligations of the Applicant which relate to such portions of the Property and the transferor shall be automatically released from any further obligation, liability, right or responsibility under this Agreement relating to the transferred portion of the Property.

12. **Recording of Document.** This Agreement shall run with the Property and shall be recorded in the Office of the Hennepin County Recorder or Registrar of Titles, as appropriate, by the Applicant with proof thereof shown to the City prior to its issuance of any permits hereunder.

13. **Governing Law.** The City and Applicant agree that the laws of the State of Minnesota shall govern all questions and interpretations concerning the validity and construction of this Agreement and the legal relations between the undersigned parties and performance under it without regard to the principles of conflicts of law. The language of this Agreement is and shall be deemed the result of negotiation among the parties and their respective legal counsel and shall not be strictly construed for or against any party. Each party agrees that any action arising out of or in connection with this Agreement shall be brought solely in the courts of the State of Minnesota, Fourth Judicial District, or the United States District Court for the District of Minnesota.

14. **Severability.** If any provision or term of this Agreement for any reason is declared invalid, illegal or unenforceable, such decision shall not affect the validity of any remaining

provisions, provided that: (i) each party receives the substantial benefit of its bargain with respect to the transaction completed hereby; and (ii) the ineffectiveness of such provision would not result in such a material change as to cause completion of the transactions contemplated hereby to be unreasonable for either party. The remaining provisions shall remain in full force and effect as if this Agreement had been executed with the invalid portion thereof eliminated and it is hereby declared the intention of the parties that they would have executed the remaining portions of this Agreement without including any such part or portion which may be hereafter declared invalid.

This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute but one and the same instrument. Facsimile or electronic signatures are not accepted by the City, or by Hennepin County for recording purposes. The City and the County require execution of multiple originals of this Agreement: three (3) originals for City records; one (1) original for recording with the Office of the County Recorder, and one (1) for recording with the Office of the Registrar of Titles.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
