2. Type II Preliminary and Final Plat to combine three lots into one lot; and

The City Council of the City of Bloomington, Minnesota, at its regular meeting of September 10, 2018, approved the above-referenced Plans (the "Council Approval") subject to, and contingent upon, the Applicant's satisfaction of certain conditions relating to the Property, and made subject to those conditions, as well as all applicable code provisions, including but not limited to City Code, building code and fire code (whether or not enumerated in the Council Approval).

This Agreement sets forth the obligations of the parties and the conditions that govern the development and use of the Property. It is intended to address the parties' compliance with the conditions the City Council placed on its September 10, 2018, approval. This Agreement does not address other issues relating to public improvements, assessments, storm water charges, or other matters regarding or affecting the Property unless specifically set forth herein or incorporated herein by reference.

NOW THEREFORE, in consideration of the recitals stated above and the mutual covenants stated below, the parties agree as follows:

1. **Recitals.** The foregoing recitals are correct and are incorporated herein.
2. **Obligations of the Applicant.**

(a) Compliance with Conditions of Approval. The Applicant agrees that development of the Property shall be in conformance with all conditions set forth in the decision notice dated September 12, 2018, which is attached hereto and incorporated herein by reference as **Exhibit B.**

(b) Conformance with Approved Plans. The Applicant agrees that development of the Property shall also be in conformance with the Plans as approved on September 10, 2018, by the City Council, all applicable code provisions, including but not limited to City Code, building code and fire code (whether or not enumerated in the Council Approval and decision notice), and all applicable state and federal laws. In the event that there is a conflict between the Plans as approved by the City Council and the regulatory terms of this Agreement, the more restrictive standard shall apply. It shall be the obligation of the Applicant to provide advance written notice to the City of any aspect of the development that varies to any degree from the Plans approved by the City Council on September 10, 2018. All previous agreements, whether written or oral, are superseded by and merged into this Agreement. Subsequent changes shall not be binding unless reduced to writing and signed by the parties hereto.

15. **Severability.** If any provision or term of this Agreement for any reason is declared invalid, illegal or unenforceable, such decision shall not affect the validity of any remaining provisions, provided that: (i) each party receives the substantial benefit of its bargain with respect to the transaction completed hereby; and (ii) the ineffectiveness of such provision would not result in such a material change as to cause completion of the transactions contemplated hereby to be unreasonable for either party. The remaining provisions shall remain

in full force and effect as if this Agreement had been executed with the invalid portion thereof eliminated and it is hereby declared the intention of the parties that they would have executed the remaining portions of this Agreement without including any such part or portion which may be hereafter declared invalid.
