- SURVEY NOTES**
- The bearing system is based on the west line of Lot 1, Block 1, PA WALSER ADDITION having an assumed bearing of North 00 degrees 34 minutes 10 seconds East.
 - This survey was prepared without the benefit of a Title Commitment or abstract and the surveyor has made no independent search for easements of record, encumbrances, restrictive covenants, ownership title evidence or any other facts that an accurate title search may disclose. Therefore, this survey may be revised by showing that which would be cited in a title commitment and then illustrated on the survey.
 - A Gopher State One Call (GSOC) request was placed on 03/24/2015, under Ticket Number 150830813 for utility locates on this site. The underground utility locations, shown hereon, if any, are based upon locates from those utility providers that actually performed a locate as a result of this request. Utility suppliers often do not respond to these requests but may provide ambiguous maps, plans, and drawings in lieu of physical location. The surveyor makes no guarantees that the underground utilities shown comprise all such utilities in the area, either in service or abandoned. Utility information shown hereon, if any, is a compilation of this map information and those visible utilities that were located during the survey field work. The surveyor further does not warrant that the underground utilities shown hereon, if any, are in the exact location as indicated, although he does certify that they are located as accurately as possible from information available. The surveyor has not physically located the underground utilities. Pursuant to MS 216.B contact Gopher State One Call at (651-454-0002) prior to any excavation.
 - Field work was completed on 04/11/2015.
 - The building(s) and exterior dimensions of the outside wall at ground level are shown on the survey. It may not be the foundation wall.
