

## Comment Summary

**Application #:** PL201700012

**Address:** 2051 Killebrew Drive, Bloomington, MN 55425

**Request:** **Remove and replace 12 existing wireless communication antennas and related equipment.**

---

**Planning Review Contact:** Nick Johnson at nmjohnson@BloomingtonMN.gov, (952) 563-8925

- 1) Antennas must be painted to match the wall on which they are mounted.
- 2) New antennas that are larger than existing antennas may not extend above the wall on which they are mounted.

**Building Department Review Contact:** Bernadette Gillespie at bgillespie@BloomingtonMN.gov, (952) 563-4709

- 1) Separate Electrical permit will be required
- 2) All antennas must meet 90MPH wind rating as per 2015 MN Building code
