Hello Nick,

With our current times we are in we are going to withdraw our request for the addition.

We are still looking at modifying the parking lot to some to improve the parking situation, but my understanding this would be a desk review at administrative.

Thanks for everyone's help and sorry this just is not viable.

Sincerely,

Dan Schmidt

Dan,

Did you have any questions about your development application in advance of the January 14th meeting? We will be publishing the agenda packet for that meeting later this week. You previously requested time to review the staff report and recommended conditions of approval. If you would like to discuss any aspect of the staff report and associated conditions, let us know. Otherwise, I would anticipate receiving an email with a link to the agenda packet later this week (Friday most likely).

Thanks. Hope you are well.
