Hi Lesley, I just want to clarify... your intention is to move forward with the conditional use permit application, correct? The building addition is on hold until we hear from you?

Thanks,

Liz

Londell,

Thank you for the additional information. At this time, I would request that the drive-through permit application remain submitted as-is.

However, our team will need to evaluate whether we are going to proceed with this transaction and project due to the unanticipated development costs. I will let you know if we intend on withdrawing.

Thank you,
