RE: Case # PL2022-149 – Sign Variances at 7800 Picture Drive

Mr. Schmitt:

At its regular meeting of August 29, 2022, the Council adopted a resolution approving variances to City Code sign standards to reduce the sign setback from 20 feet along I-494 and Picture Drive to 14 feet and 10 feet, respectively. On September 12, 2022, the City Council adopted a resolution denying a variance to increase the sign height limit from 20 feet to 24 feet to allow an existing monument sign to be converted to an electronic graphic display sign (Case # PL202200149). The executed resolutions are attached for your records.

Should you have any questions regarding these decisions, please contact Mike Centinario, Planner, at (952) 563-8921 or mcentinario@BloomingtonMN.gov.

Sincerely,

A handwritten signature in cursive script that reads "Glen Markegard".
