**Subject:** Request for Zoning Verification Letter for 8201 Park

Hello Londell,

I'd like to request a zoning verification letter for 8201 Park, specifically noting all uses approved at the building by the Council on 05/02/2011 per Dar Al Farooq's CUP request, namely: private school, a day care, and a place of assembly/ community center.

Please let me know if this email is sufficient to obtain the zoning verification letter, or if there is a more formal process you would prefer me to follow. I also understand there is a fee, so just let me know how that should be handled.

If at all possible, I would like to expedite this request.

Last, please let me know if, based on your and my conversation last week, you think that another document other than a "zoning verification letter" might better serve my goal of obtaining verification of the approved uses at the building.

Thanks again,
