To Whom it May Concern,

I would like to expand my restaurant to the City of Bloomington. I have found a location on Old Shakopee Rd. which will fit my business needs. The address is 3806 W. Old Shakopee Rd. Bloomington, MN 55431. This location will be ideal because it is a strip mall which currently has a few restaurant options for customers. This strip mall has been well maintained and has ample parking spots. Falafel King has been in business for over 15 years providing the Twin Cities with clean and healthy mediteranian food options. We also offer our food at the State Fair.

Please contact with any questions.
