Date: March 16, 2023

Project Name: Burger King – Store #3099 Remodel

Location: 9008 Penn Avenue S Bloomington, MN 55431

Project Summary:

We are refreshing the finishes and architectural features of the exterior of this building to align with today's Burger King branding efforts more closely. The project will include accessibility upgrades, a new interior décor and seating package. The kitchen will also be addressing a few items that the health department wanted corrected.
