Subject: City of Bloomington Development Application - Antenna Installation @ Macy's MOA - Dish Wireless - MNMSP00388A / MN33984-M

Good afternoon,

I am writing on behalf of Dish Wireless to request a signature on the City of Bloomington Development Application for new antenna installation. Dish is proposing to install new antennas and associated equipment on the rooftop at Macy's MOA, with Macy's approval. The City of Bloomington requires the property owner signature on the development application. Can you please review the application and fill out/sign under "Fee property owner" on page 1 of the attached?

Please let me know if there are any additional questions about the proposed scope of work or if I need to reach out to a specific individual.

Thank you & I look forward to hearing back!
Sydney
