ACM PANEL "SILVERSMITH"

Architectural elevation drawing of a building facade. The drawing includes the following height markers on the left side:

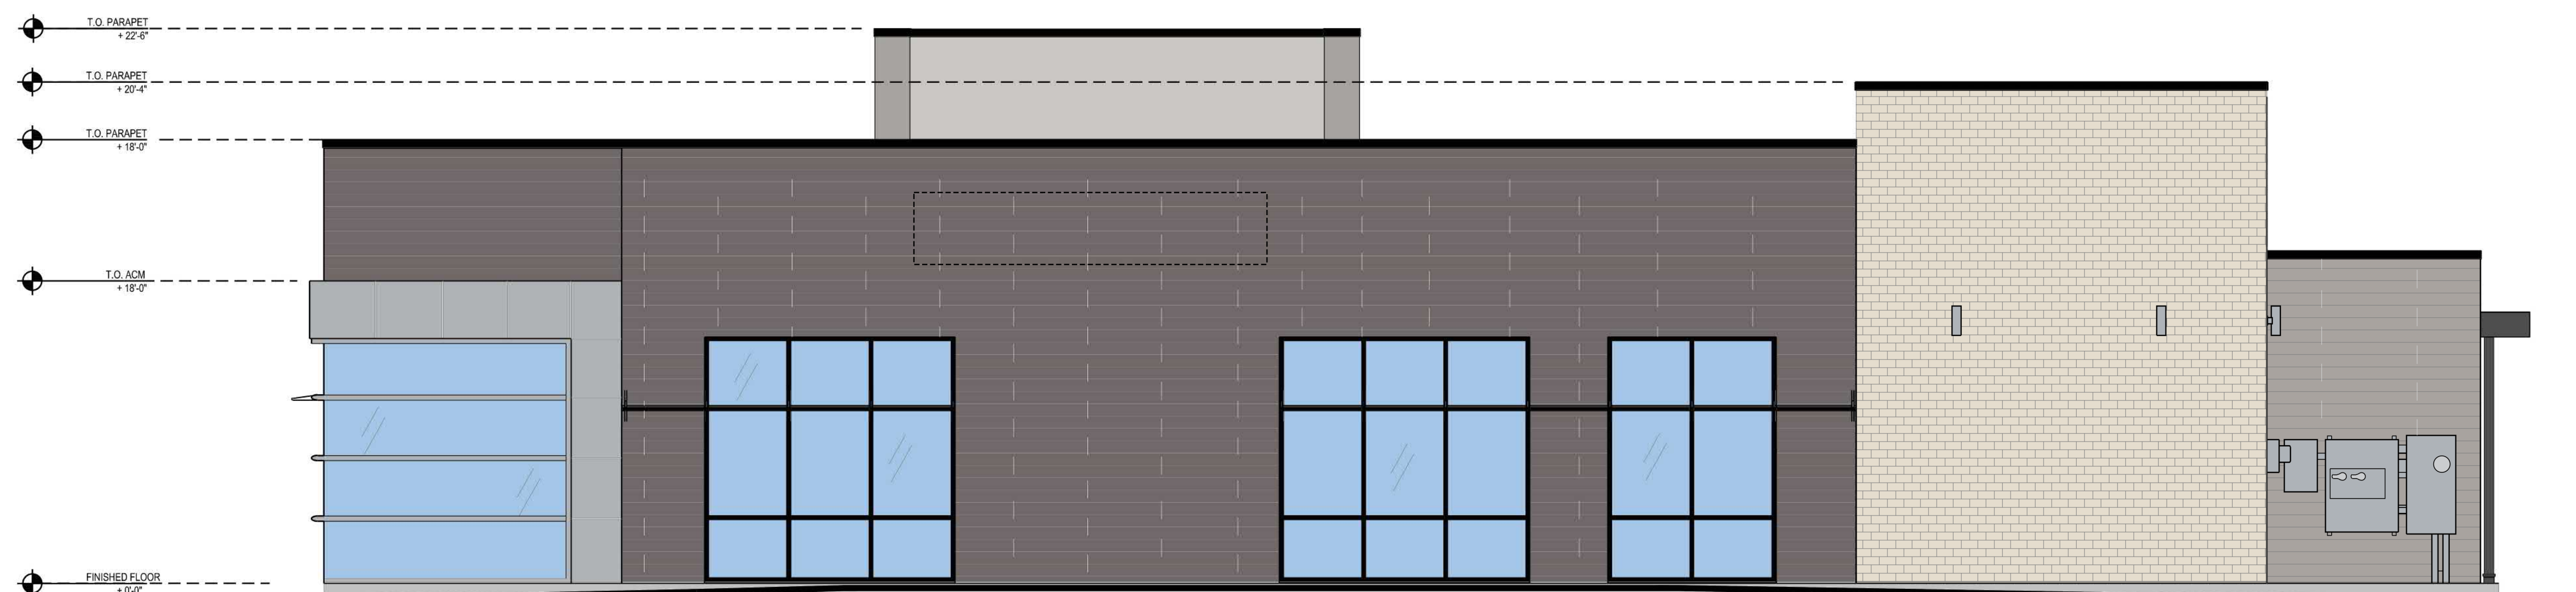

- T.O. PARAPET +22'-0"
- T.O. PARAPET +20'-4"
- T.O. PARAPET +18'-0"
- TOP OF PARAPET +13'-6"
- B.O. CANOPY +10'-0"
- FINISHED FLOOR +0'-0"

The building features a central entrance with a canopy and large glass windows. The facade is divided into sections with different textures: light brick on the left, dark brick in the center, and a mix of light and dark brick on the right. A dashed rectangular area is indicated above the entrance canopy.
