Mailing Address	City	State Zip			
Business Address (if different from mailing address)	City	State Zip			
Email Address	Phone				
Representative Signature	Date				

*Use additional copies of this form or attach additional approval letters as needed.

APPLICATION PROCESS

1. Verify application material requirements with Planning Division staff and prepare all materials for submittal. The required application materials are outlined in City Code <u>Chapter 21, Article V, Division A:</u> <u>Approvals and Permits</u>. Generally, application materials will include this **signed development application**, a **project narrative**, **building elevation drawings** and scaled **site and civil plans**.

2. Go to **BLM.MN/PORTAL** and register a user account for the City's permit portal system.

3. Contact the Planning Division (<u>planning@bloomingtonmn.gov</u> or 952-563-8920) to have staff create a project case file for your application. The applicant cannot create a case file through the portal on their own.

4. Log into your portal user account and upload your application materials to the case file created by staff or email them directly to the Planning Division.

5. After your application materials are uploaded, log into your portal user account and pay the required application fees (see the *Planning Division Fee Schedule* handout).

6. Once your application fee is paid and application accepted by the Planning Division, it will then be scheduled for staff review and any required Planning Commission or City Council meetings (see the *Development Application Review Process* handout).
