Dear Dylan and City of Bloomington AHJ:

Following up with the warranty information that was requested, we spoke with a rep from Morin about the MX-1 metal panels that we are specifying and they let us know that that Sherwin Williams who will be the finish on the panels will provide a 30-year warranty for the film integrity with a 10-year warranty for the color and chalking. We will be using a 2-coat application of Fluropon. This information was relayed to us via the rep: Georgia Theodorou from Claddco, georgiatheodorou@claddco.com.

Sincerely,

Roy Mwale, Assoc. AIA, NOMA
