Mike,

On behalf of Rosa Development, we submit the attached ordinance amendments and ask that this document be treated as a formal amendment of our client's application. We understand that the revised application will be noticed for hearing at the February 19, 2026 Planning Commission meeting and City staff will recommend approval of the application. We also understand that this schedule tracks with the March 23<sup>rd</sup> City Council meeting if the matter is not held over for further discussion.

We are grateful that we have reached consensus on the approach to regulating remote airport parking for the long term. Please let me know if my understanding above is not correct or you need anything further to process the application of Rosa Development.

Thanks,

Bill
