

7815 – Points North (upper level) – cloud-based software company automating HR compliance solutions (this is Keith's business who owns the building) – 4288 sq ft

7815 – Smaller vacant office space – 2268 sq ft

7815 – Instream/AMI (lower level) – Document Scanning and Content Management – 7091 sq ft

7825 – MEA Midwest Energy Association (John Gann who signed the application is on the Board for MEA) – Non-Profit organization focused on empowering the energy industry through education, leadership development, and industry connections promoting safety and providing educational materials for workers. They are the whole building – Approximately 17,000 sq ft

7835 – Mindful Families Therapy (Matt Peterson signed the form – he and his wife own this business and the building) – Whole building – approximately 4,000 sq ft

7805 – Newly purchased on 3/4/26 so no information on this building but we have communications out to the new owner to invite them to the association meeting and can ask for this information.

There has traditionally been minimal activity at any of the buildings in recent years as most work remote or hybrid at best. 7835 has clients that come for appointments.
